

Patrick Holloran and his wife Valeria are founders of Harvest House International Ministries, a worldwide apostolic-prophetic worship and teaching ministry for the equipping of warriors and worshipers. Pat and Valeria travel nationally and internationally, bringing prophetic insight, worship music, teaching, and impartation for God's people to be set free from generational curses and soul fragmentation.

Their ministry also equips the saints to know the destiny of the land that the people occupy for the glory of the Lord, and to make known the call of that land according to the perfect will of the Father in Heaven. They have a calling to bring the Body of Christ into becoming generationally minded and to prepare the generations to move into the freedom and authority of God's Word that the Lord has for all of us.

With this anointing, there comes the understanding of the Father's heart and the Father's blessing, which is important in order to bring into reality the equipping of the generations. It is in this strength that the orphan curses are taken from believer's and they come into knowing their identity of Christ in them, the Hope of Glory.

Accompanying this release, there is also the teaching of spiritual warfare in the first heaven of which we occupy, as well as doing the school of the supernatural. It is in this atmosphere, that the exhortation is given to have dominion on this earth today as we are given in Genesis 1:28 They train believers to minister in power, to exercise Holy Spirit gifts and discernment, and to understand their God ordained destinies in the Church and in the Marketplace.

THE FATHER'S BLESSING

More and more in our travels, I am noticing that there are really not that many "Born Again" Believer's who have received their Father's Blessing to do their destinies. In fact, when you ask people if their earthly fathers have ever prayed and released their children by the Word of God to fulfill the days that God fashioned for them (Psalm 139:13-17 w/the emphasis on verse 16), many will look at me with a puzzled expression. They often ask, "What are you talking about?"

You see, in the Old Testament, there are instances recorded of the Father's of Israel blessing the children and the grandchildren. The Father's made pronouncements over the sons to walk in greater destiny than they themselves had done.

One of the great examples of this is Jacob blessing Joseph in Genesis 49:22-26. In this blessing, Jacob puts into the air that God will help Joseph in all that he does. This is indeed a wonderful decree that releases the angels of blessing to come and stand with Joseph and his descendants. It starts into motion the release of the spiritual realm and the treasures of heaven in God's hands.

With these thoughts in mind, and after taking my requests unto the Lord, I believe that it is important to place the following prayers of blessing on the website for others to read and pronounce. I pray that those who read this, will grab their sons and daughters, and anoint them with oil and pray these prayers over them. I promise that it will release by the Holy Ghost many doors of opportunity for our descendants.

In the lives of my own children, I have spoken the words that the Holy Ghost gave me over them, and at the same time anointed them with oil. I myself did not receive the Father's Blessing from my dad. Yet, the Father in heaven has given me His blessing and since I am adopted by Him, I am to fulfill all that He created for me to be and to do.

If your earthly father is deceased, ask the Father in heaven to give you His blessing. Then decide in your own heart that you will make every effort to give His blessing to your own seed.

These prayers are especially important for those who are spiritual father's and who wear the True Apostolic Mantles from God. Please make sure that as spiritual father's, you pray the blessings of the Father in order to cause the spiritual children who have answered the call to now become sent ones.

May you and your family line to a thousand generations be blessed in the Father's Perfect Will, In Jesus Christ's Name!
